

**Remarks**

Claim 5 is newly added such that claims 1-5 are pending upon entry of this Amendment. Applicants respectfully request allowance of all the pending claims.

The subject matter of new claim 5 describes the attachment of the compressor to the wire-frame support, and is supported, for example, in the Specification on page 4, lines 28-30. Therefore, claim 5 presents no new matter.

Applicants respectfully submit that independent claim 1 is allowable. Claims 1-5 depend from allowable independent claim 1 and are therefore allowable for the same and other reasons.

**Conclusion**

In light of the foregoing, Applicants respectfully submit that claims 1-5 are allowable.

Respectfully submitted,

Glen A. Weitzer
